DEDICATION

We the students of Portland Public Schools are proud to dedicate this year's Cardinal to Mrs. Guilford. In her career in teaching Mrs. Guilford has served the community well. We sincerely wish you a happy future, Mrs. Guilford.

**RING OUT
THE OLD!**

**RING IN
THE NEW!**

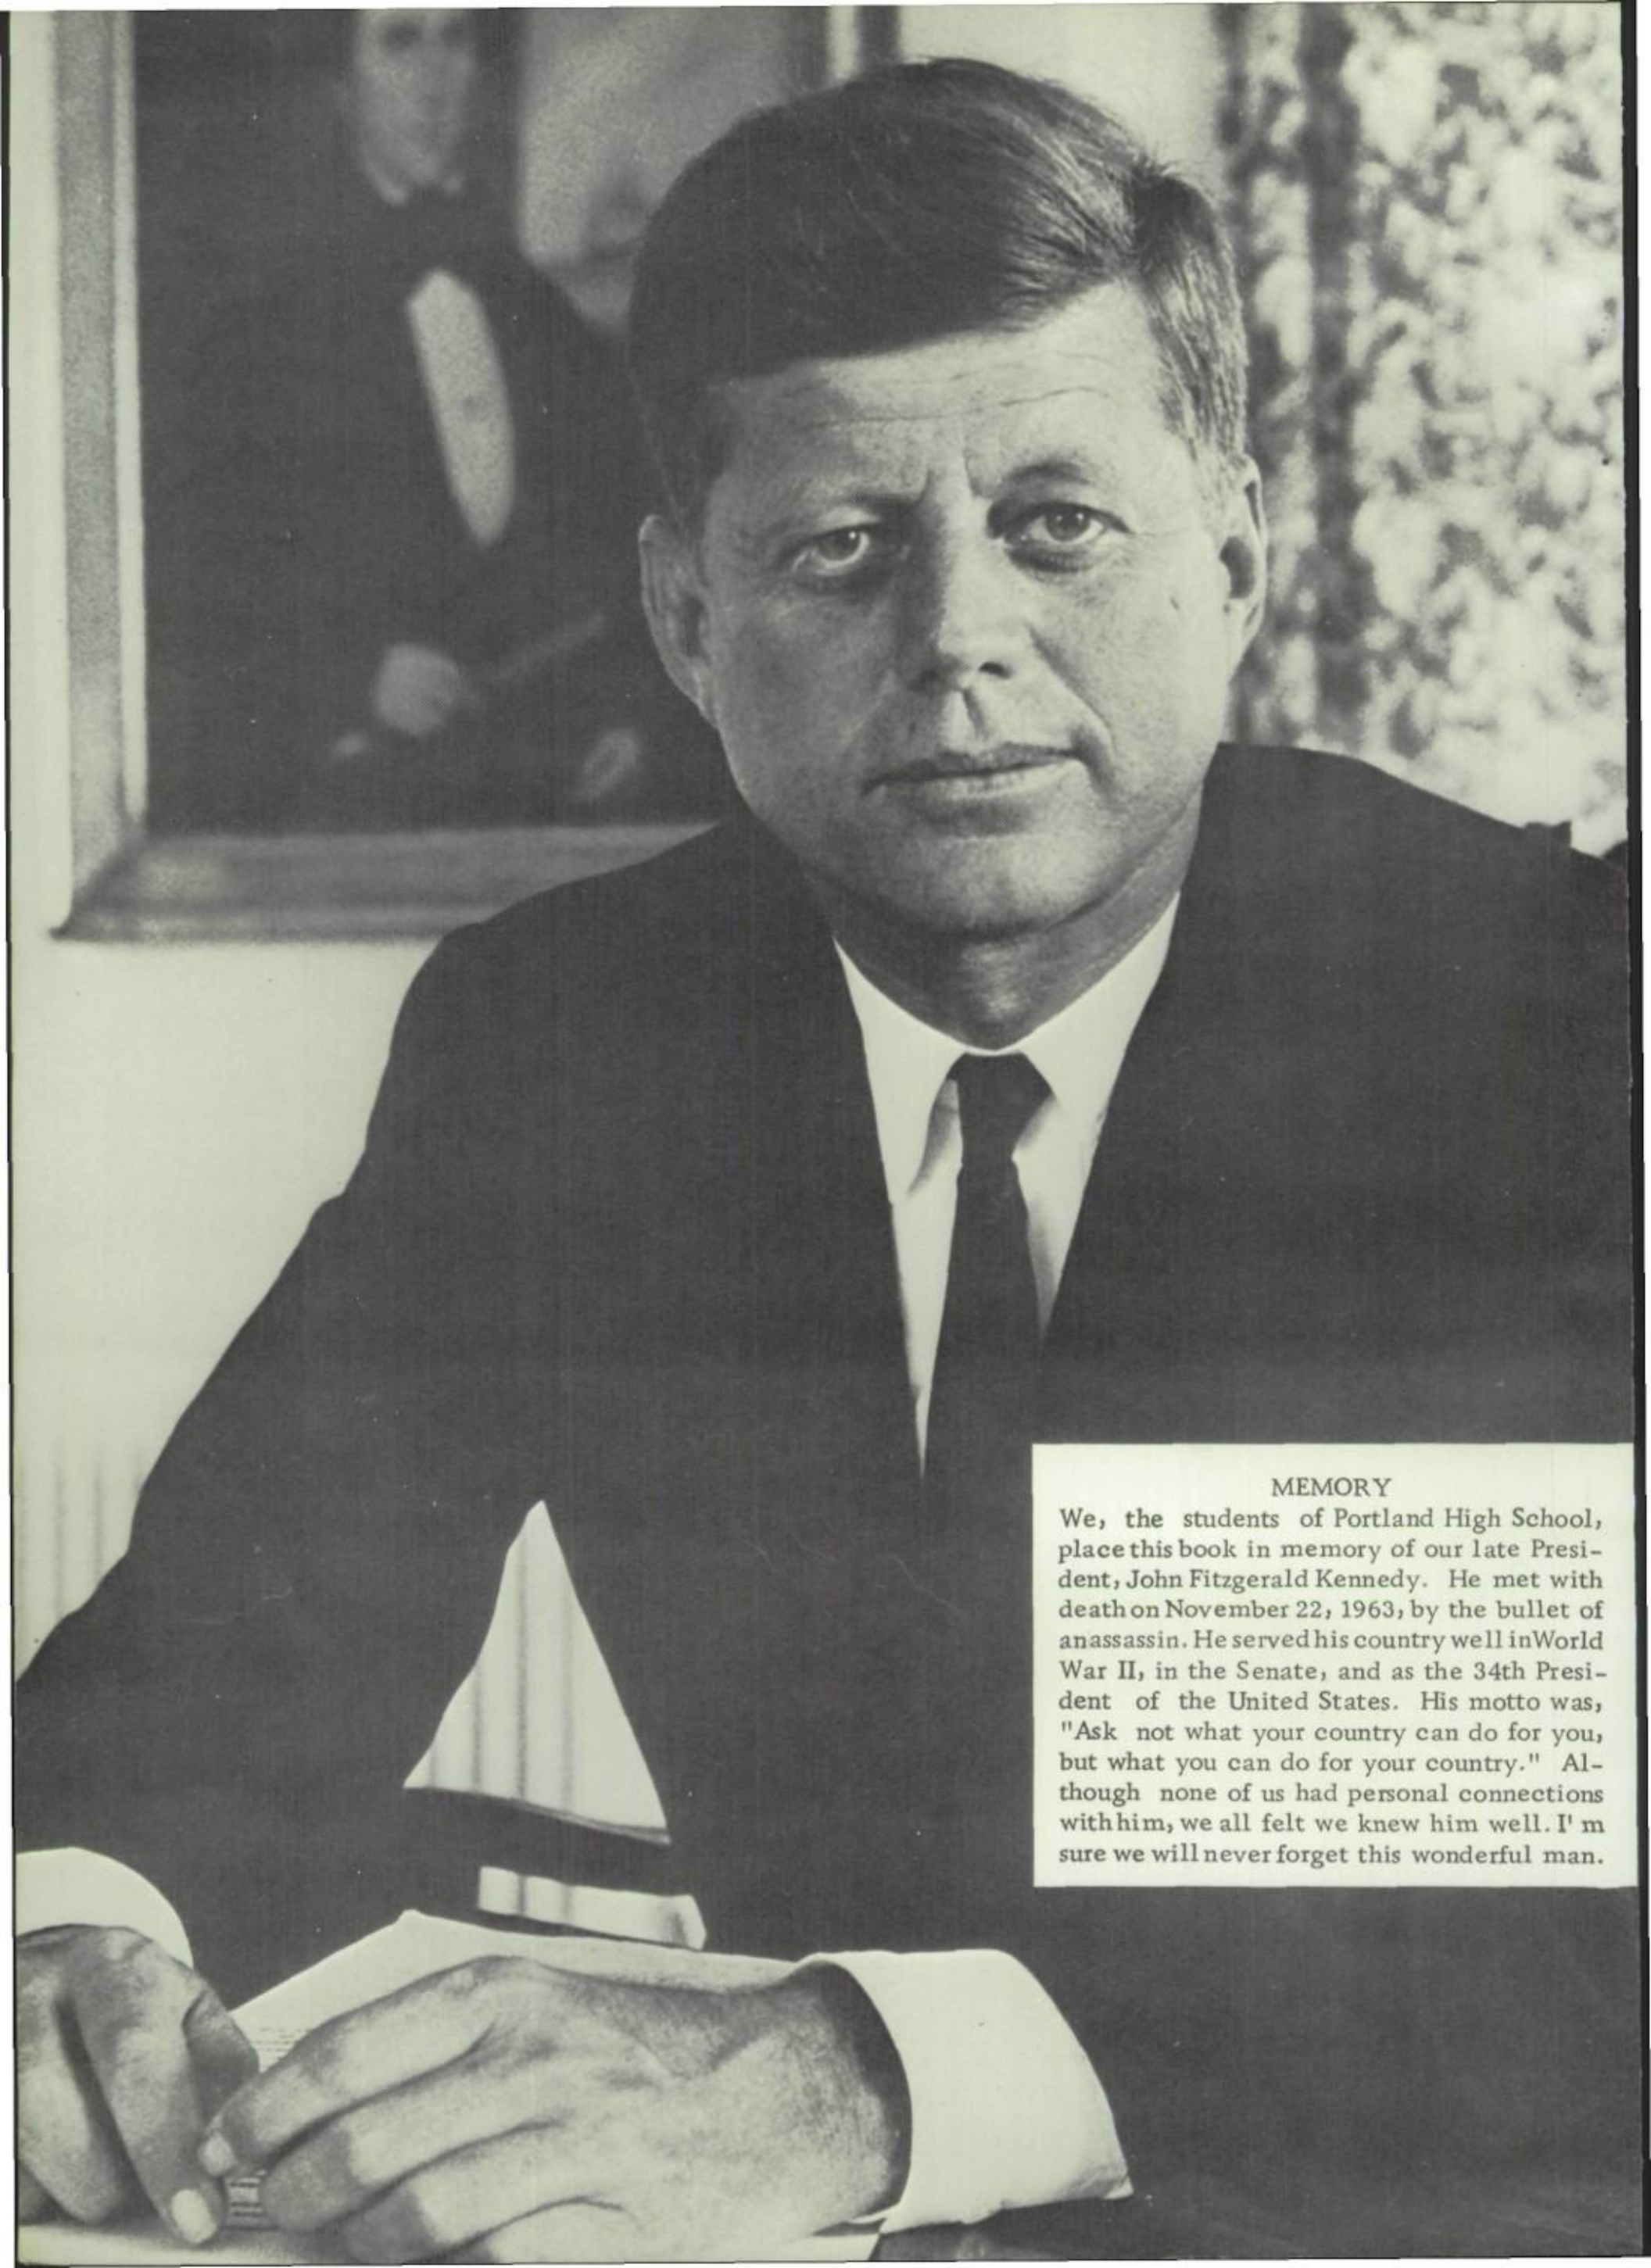

Formerly when people thought of Portland High School, they thought of a red brick building located on Brush Street. Now they think of a sandy brick building located on a hill overlooking a new freeway and other scenic points of a wonderful town. The red brick building, built in 1919, has served the community for 44 years, and is now inadequate to properly serve the students at Portland High School.

We want to express our sincere gratitude to the people of Portland and Portland Township for this wonderful gift they have given us.

In our yearbook we will present the student body and the activities in which they participate. Now, we will take you on a tour of our new school.

MEMORY

We, the students of Portland High School, place this book in memory of our late President, John Fitzgerald Kennedy. He met with death on November 22, 1963, by the bullet of an assassin. He served his country well in World War II, in the Senate, and as the 34th President of the United States. His motto was, "Ask not what your country can do for you, but what you can do for your country." Although none of us had personal connections with him, we all felt we knew him well. I'm sure we will never forget this wonderful man.

ADMINISTRATION

Assistant Superintendent

It has been with deep personal satisfaction that I have been able to have a part in the development of education in Portland. My many thanks to the students and faculty of our school who have made it possible for the educational progress that has been made.

I feel confident that the plans for further progress, that are necessary for our youth of tomorrow, will receive equal support. The future of our educated youth never glowed brighter.

SENIOR CLASS HISTORY

Small, wide-eyed, and bewildered--this is the picture that we as freshmen gave--the entire year was spent trying to find the right classroom and trying to stay out of the way of those huge upperclassmen. As sophomores we began to feel a part of the high school; we were no longer laughed at but, reluctantly accepted as the class of 1964.

When we approached our junior year we were filled with the excitement and anticipation of selling at football and basketball games, and even having our own dances. There was the magazine sale, and the Junior Play which kept us even busier.

In the fall of 1963 we reached our climax--we entered the new Portland High School, and in 9 months would be its first graduating class. We were now under the leadership of Larry Ackerson, President; Judy Clark, Vice President; Suzy Moyer, Secretary; Mary Quinn, Treasurer; and Loren Arnesen and Jeanette Bandfield as Student Council Representatives. We had a winning football team that fall, we won the magazine drive and broke all records for the R & O Subscription Drive--this added to our already soaring pride. We sponsored numerous record hops, the Homecoming Dance, and the Christmas Dance. These two were successful. As winter approached we began to concentrate solely on that week in April, when we would all load up, and take off for our trip to Washington.

Our Trip was followed by Baccalaureate and finally our Graduation Night when we could finally be on our own and "Set the world on fire."

The Senior officers from l. to r. are: Pres: L. Ackerson, V. Pres.: J. Clark, Sec.: S. Moyer, Treas.: M. Quinn, St. Council Rep.: J. Bandfield, L. Arnesen.

VARSITY CLUB

The Varsity Club is made up of boys who are nominated to the club by a member and approved by the rest of the members. They must have their varsity letter in football, basketball, baseball, or track. Every year there is a Varsity Club vs. Faculty basketball game. Also they have one dance each year. The year's activities end with the traditional canoe trip for all members up the Au Sable River. They select their own camp site and have a wonderful week-end.
